This new IP65 fitting has colour options of base and trim, and choice of diffuser type for maximum or more subtle light output. Suitable for either wall or ceiling mounting in many building types it utilises the same energy efficient long life control gear as the renowned Golf, whilst providing a cost effective solution for both indoor and outdoor installations.

Applications include:

- Apartment landlord areas
- Landings
- Lobbies
- Stairways
- "Back of house" areas
- Entrance porches
- Walkways
- Corridors

### FEATURES
